

HOW TO ACTIVATE AND TOP UP YOUR SIM-CARD

You can top up your SIM-card in three different ways:

- Go to Pressbyrån or a Telia-store to top up your card.
- Activate and top up your card on the [website of I Have Landed](#) (see instructions to the right). If you choose to top-up your card on this website, you will get 0,5 GB data per month for free.
- Activate and top up your card on the [website of Telia](#) (see instructions to the right).

Once you have topped up the SIM-card, it should be ready to use!

If the SIM-card does not work, make sure that your phone is unlocked. Some phones are locked to the operator/retailer that you bought the phone through.

Different alternatives that you can top up your card with:

- "Ladda fastpris": Calls and unlimited texts at a fixed price. Valid for 31 days.
- "Ladda surf": More data. Valid for 7 days.
- "Ladda enkelt": Talk, text and surf for an amount between SEK 50 and 300. No time restrictions.
- "Ladda årskort": With this alternative you can only choose Spotify & surf, Sms or Secure mobile. Valid for 365 days.
